The Examiner asserts that Applicants' Appeal Brief (Paper No. 14) does not contain a concise explanation of the claimed invention, referring to the specification by page and line number and to the drawing, if any, by reference characters pursuant to 37 C.F.R. §1.192(c)(4). Applicants would first like to note that 37 C.F.R. §§1.192, 1.193, 1.194, 1.195 and 1.196, including 37 C.F.R. §1.192(c)(4) cited by the Examiner, have been removed and reserved as of September 13, 2004.

Furthermore, Applicants respectfully disagree that Applicants' Appeal Brief did not contain a concise explanation of the claimed invention. Applicants kindly direct the Examiner's attention to the last paragraph of page 4 which continues onto the top of page 5 of Applicants' Appeal Brief. The paragraph contains a concise explanation of the claimed invention including citations to particular page and line numbers in the specification. However, Applicants amended the last paragraph of page 4 which continues onto the top of page 5 of the Appeal Brief to include, in addition to the citations to the specification as mentioned above, citations to particular elements in Figure 4. Further, since the Examiner requested Appellants to provide a concise explanation of the claimed invention after September 13, Appellants amended the Appeal Brief submitted on May 21, 2004 by specifically stating which claims are appealed under the section entitled "Status of Claims"; modifying the title of Section V to be "Summary of the Claimed Subject Matter" from "Summary of the Invention"; inserting a concise explanation of the subject matter defined in each independent claim in Section V; replacing the Section entitled "Issues" with the Section entitled "Grounds of Rejection to be Reviewed on Appeal" and deleting the Section entitled "Grouping of Claims" to have the Appeal Brief conform to the requirements of 37 C.F.R. §41.35 which has replaced 37 C.F.R. §§1.192, 1.193, 1.194, 1.195 and 1.196. Accordingly, Applicants respectfully assert that the Amended Appeal Brief is in compliance and respectfully request the Examiner to withdraw the notice of non-compliance.

Respectfully submitted,

WINSTEAD SECHREST & MINICK P.C.
